

DIRECTIONS TO THE ADDISON GALLERY'S TEMPORARY LOCATION

Please print and take these directions with you to the event.

LOCATION:

The Abbot School Room and Addison Temporary Offices are located in Abbot Hall on School Street in Andover.

School Street runs off of Main Street at an angle from the intersection of Main, Bartlett, and School Streets – or can be accessed from Central Street at the other end.

Abbot Hall is halfway down School Street on the old Abbot School Campus, demarcated by iron gates and brick pillars (at the corner of School Street and Abbot Campus Road).

PARKING:

Parking is available along School Street and, if necessary, in the back left end of the lot down Abbot Campus Road.

FINDING THE SCHOOL ROOM:

From School Street, walk through the iron gate into the grass circle surrounded by three buildings.

Abbot Hall is the building with cement pillars on your left, the front facing toward the circle. (If you enter from the parking lot, Abbot Hall will be on your right as you enter the circle.)

Enter the building through the ground level entrance on the front of the building to the left of the tree (*not* up the outside staircase).

Once inside, take the elevator (inside the door to your right) to the third floor. The School Room will be straight ahead of you.

If you have any problems finding the building once you are on campus, please call Anna Gesing at (978) 749-4023.
