One of the Punchard plays that clicked for a 10-yard gain in the first period at the playstead Columbus day is shown here with Danny Nadeau racing down the field with several Ipswich Tigers trying to block his path. One Punchard player has thrown a block on a potential tackler while Lou Pigeon (42) and Tom Calahan (43) move over to help him. But Ipswich won, 27-0. (Look Photo)

Want Korean Veterans Included In Benefits Of Servicemen's Fund

Many Prizes For Costumes On Hallowe'en

Two hundred prizes will be awarded for the best costumes in the four community Hallowe'en parties which will be held the night of Saturday, Oct. 31. And on top of that there will be a few major prizes to be awarded for outstanding costumes.

The Andover Recreation committee with the help of a score of cooperating organizations has also arranged to have the following on hand for the parties: 15 cases of tonic, 1700 ice creams, 50 pounds of cookies, 100 dozen doughnuts, 25 gallons of cider and 1700 lollypops.

(Continued on Page 16)

A proposal to have the benefits of the Andover Servicemen's fund extended to include Korean veterans was discussed last night at a meeting of the commanders of the town's four veteran organizations and the trustees of the fund.

The fund, now something over \$15,000, was raised during World War II and was first used to send Christmas gifts to men in the service and phonograph recordings of parents' voices to those overseas.

At the close of the war the fund was placed under a board of trustees to assist veterans and their immediate dependents in cases of need not covered by state or federal benefits, and to supplement state and federal benefits or benefits from fraternal organizations.

This was done by a vote of all the veterans of the town taken about May, 1948. The deed of trust allowed loans to those in service between Sept. 16, 1940 and July 25, 1947.

The four commanders now request that the deed of trust be changed so that those veterans not now entitled to any benefits from the fund be made eligible to receive loans.

The trustees of the fund are made up of the chairman of the board of selectmen, the town council.

Rent Control Board Member Resigns

The resignation of Arthur J. Beer Jr., 13 Memorial circle as a member of the newly-formed rent control board has been submitted to the board. Mr. Beer represented tenants on the board.

Joseph Allen, chairman of the board, has notified the selectmen of the resignation so that the vacancy may be filled at their next meeting.

The rent control board is an unpaid body which has recently opened headquarters on the second floor of the town house.

Dog Annoys Sheep For Last Time

A dog that was bothering sheep at the farm of G. J. Cavallaro on S. Main st. a few days ago will bother them no more. When found in the pen he did not have time to do much damage before he was shot.

"That's what all sheep owners should do," said Police Chief David L. Nicoll, as he displayed the collar of the dead dog which bore a Boston license.

"They usually wait until some damage has been done before calling the police and when the officers arrive the dogs have disappeared and the police have to go hunting for them."

Another dog that was bothering sheep in the vicinity of Argilla road a week ago was dispatched by police and others in the pack have been licensed.

Fined For Labor Law Violations

Complaints brought by the state department of labor and industries against Loris Stefani of S. Main st., were heard before Judge John J. Darcy in District court at Lawrence Oct. 7.

The defendant pleaded guilty to a complaint of using a ladder with mission rungs in painting structural property and not guilty to having certain first aid supplies on hand, and two counts of failing to provide life lines to employees working on a swing stage.

The complaints followed the visit of a state inspector to the South Lawrence storage tank Sept. 3. The latter told the court he found two men working on swing stages without life belts over 50 feet from the ground.

The defendant stated that the men had just started on the job, painting the water tank, and that they were in the process of rigging the staging and were not painting, so that they did not need the safety belts, although there was plenty of rope for them to use. He said the medical kit was in his beach wagon because there was no place to store it on the job. He stated that the ladder was brought to the job by mistake and was not used.

One man testified he had a life belt but did not attach it. The complaint in this case was dismissed.

The defendant was fined \$25 on the other count of not having a life belt for an employee, and \$25 for the ladder with the missing rungs. The complaint about the first aid kit was filed.

San Francisco, California, and from there he will be sent to Alaska.

Mr. and Mrs. Charles Smyth and family of Needham are now occupying the Winthrop Boutwell house in Shawsheen rd. Mr. Smyth is connected with the Liberty Mutual Ins. Co.

What a tidy stunt for Melvin Johan (left) and John Humphrey! For their initiation these freshmen had to travel all the way from Bowdoin college in Maine with a note from Kappa Sigma stating they would have to have their picture with caps and signs taken by Don Look in front of the Andover town clerk's office and have it published in the Andover Townsman. Well, Johan, who hails from Brighton, and Humphrey, (no relation to Ye Ed) whose home is in Wilmington, Del., just up and done it. Congratulations, boys. Here's the evidence. You're welcome. Punchard Loses 27-0 To Ipswich

Ipswich high romped to a 27-0 victory over Punchard's Blue Devils before a Columbus day crowd of 1500 at the playstead Monday afternoon.

Led by Co-Captain Charlie Genakakis who ran for three touchdowns, passed for another, kicked three extra points and was a demon of defense, the visitors met with little difficulty in handing the Blue and Gold its first defeat of the season in three games.

The blocking and tackling of the locals was not up to their usual standard and without the stalwart defense work of Co-Captain Paul

Whitley, who was used sparingly because of injuries, the Ipswich Tigers frequently broke away for long gains.

Punchard showed some flashes on offense and gained 148 yards by rushing, but only 14 on passes only one of 6 being completed.

P. A. Sports . . .

A crowd of about 1500 watched Phillips academy top a strong Wesleyan Fresh team at Brothers Field last Saturday.

Early in the game Co-Capt. Hort Smith broke away for a 64-yard romp for a touchdown and later raced 24 for another t.d., after taking a pass from Dick Starratt. Bob Sigal scored the Blue's third touchdown on a 26-yard run.

Aided by an effective block thrown by an unidentified team mate Danny Nadeau, with the ball tucked under his arm, turns the Ipswich left end for a 10-yard gain in one of the early plays at the playstead Monday when the invading team gave the Blue Devils their first defeat of the new season. Jimmy Adams (20) is legging it for an Ipswich defender who is just out of the picture. (Look Photo)

Abbot Academy

Earle Spicer, noted ballad singer, will be heard in a varied and tuneful program at Abbot academy at 8 p.m. Saturday, Oct. 17, in Davis Hall. Mr. Spicer has visited Abbot on another occasion, and his return is anticipated with great pleasure on the part of all who heard him. His program includes traditional English ballads of thirteenth century background; Shakespearean, and Gilbert & Sullivan songs, and American ballads and folk songs. Mr. Spicer will be remembered for his rich voice, his fine humorousness, and the sympathetic and understanding quality

of interpretation, all of which combine in a successful program of folk music. He is his own accompanist. The public is cordially invited.

The vesper service Sunday evening will be conducted by the Rev. Wilfred M. Bunker, minister at the Congregational church of Durham, N.H.

Friday Evening activities Groups have been organized and are in operation. On a voluntary basis, under the direction of members of the faculty, the following groups

are doing special work from 7:30 to 8:30 p.m.: Current events, science arts and crafts, music acquaintance, and sewing.

Hallowe'en Parties

The Andover Recreation committee is making plans for its annual series of community Hallowe'en parties which last year attracted close to 2000 children to five different centers for an evening of fun and enjoyment.

Each year has seen the attendance at these parties grow as more and more youngsters are drawn into this organized form of entertainment which has supplanted that type of Hallowe'en vandalism so widely practiced a few years ago. With these parties offering such wide attraction (and plentiful refreshments) there is little of that wanton destruction of property which was committed in the past under the guise of juvenile pranks.

Today the youngsters and their parents spend much time in preparing numerous gay, gaudy and grotesque costumes for the event with the result that thousands of spectators, come to the business district in the evening to see and admire the colorful parade of goblins, gnomes and gypsies that wends its way through downtown streets to the auditorium.

The new Hallowe'en observances are an accepted institution in this town, much to the credit of the recreation committee and other organizations that cooperate to make them a success.

Votes For Volts

The Sacramento (Cal.) Union recently offered some pithy comment on the Tennessee Valley Authority which has a current budget appropriation of \$264 million. TVA, the Union said, "provides electricity for the people in the Tennessee Valley and seven surrounding states, at the expense of the people of 41 other states. . .

"It is a nice arrangement for the people in the valley. They get cheap power, and cheap politics, exchanging votes for volts. Now TVA customers are urging congress to appropriate another \$250 million to keep on kilowattin."

TVA is a perfect example of how great socialistic oaks from little acorns grow. It began as a project for producing fertilizer. It was extended by camouflaging its main purpose, which was and is socialized power development, with grandiose claims for what it would do on behalf of navigation, flood control and land reclamation. Power, the argument ran, would be a relatively minor by-product. So now the tail wags the dog - and every taxpayer in the country helps pay the enormous bill.

It takes a lifetime to build a reputation, but it may be lost in a moment.

SCIENCE and your Health

PINWORM

by Science Features
Pinworm infection is one of the most common of all childhood problems. It has been estimated that 50 to 60 per cent of all children in southern states—and 35 per cent of the general population—have been infected with these tiny white worms.

The most common and troublesome symptom of pinworm infection is a constant itching. An outstanding feature of this infestation is the ease with which it can spread throughout members of the family. The eggs may be passed via almost any article used by the afflicted person - a fact which makes it important to disinfect such articles before they are used by anyone else. In the past pinworm was often treated with a disinfectant called gentian violet, but this treatment was not always effective. More recently antibiotics have been used with greater success. In one study, in which terramycin was administered, the treatment was successful in 59 out of 61 cases.

President Names Andover Native

Judge Carroll G. Hinks, a native of Andover but now a resident of Cheshire, Conn., has been named to the second circuit court of appeals by President Eisenhower. The promotion had been urged by council of the Connecticut Bar association. Judge Hinks was born in Andover 63 years ago, attended the public schools and Phillips academy and graduated from Yale in 1911. He received his law degree from the Yale Law school. In 1931 he was appointed by former President Hoover to the U.S. district court of Connecticut and has since served in that capacity.

PUPPET PLAY

All children of grades 1 through 6 who have asked for tickets to the puppet show will see one of the best loved fairy tales, "Hansel and Gretel", when they attend the library program at 10:15 a.m. Saturday, Oct. 17. The players, who made their puppets and planned their production this past summer in the library groups, are Linda Delaney, Kathleen O'Brien and Jimmy Sheard. There will be stories for the remainder of the hour, told by Miss Lane. Tickets are necessary for this performance, and are available at the library without charge.

Down the Years with The Townsman

50 Years Ago - October 1903

Dr. C. H. Shattuck has been appointed postmaster at Ballardvale to take the place of the late C. H. Marland.

The Rev. Charles M. Driscoll, pastor of St. Augustine's church, explained to his parishioners Sunday the need of a new parsonage and stable. The structure will be built of brick.

The Andover association football team for its game with Ward 5 of Lawrence Saturday will line up as follows: O'Connell, goal; Rennie and Watson, backs; Matthews, Black and Smithe, halfbacks; Falconer, Moir, Lowe (capt.) Richardson and Cairnie, forwards.

The King's Daughters of the South church will present "Hiawatha" in the town hall Oct. 23.

David May brought to The Townsman office this noon a luscious bunch of blackberries which he picked this morning.

The Ballardvale team finished the season with the splendid record of 18 wins and 4 losses. They have defeated the strongest teams of Andover, Lawrence and Lowell. The work of the pitchers was exceptional, especially Drisco, now at Yale, who has not been excelled by any amateurs.

Attention ladies! Accordion and knife plaitings now so much in vogue and used by dressy women may be seen at our store. - Adv.

A series of moving pictures and illustrated songs will featured the entertainment program at the ball of the Andover Steam Fire Engine company Thanksgiving eve in the town hall.

Repairs on the Baptist church have been completed and the auditorium will be used for the first time Sunday.

25 Years Ago - October 1928

Punchard high defeated Hudson high 37 - 0 in the first game to be played on the new playstead.

Percy J. Dole has been elected commander of the Legion post.

The Shawsheen Mills with an assessment of \$89,071 heads the list of the town's heaviest taxpayers followed by the American Woolen company with \$45,783.

Thomas W. Neil was installed as Chief of Clan Johnston at ceremonies Friday night in the Fraternal building.

Geraldine Farrar will give a concert here tonight.

This year for the first time Massachusetts observed Armistice day as a legal holiday. The Legion had an excellent program Monday, Oct. 13, in the town hall.

10 Years Ago - October 1943

School Superintendent Edward I. Erickson announces that a new ration book will be out soon and registrations will be handled through the school department as in the past.

Tomorrow is the deadline for Christmas mail for the boys overseas.

Alfred Lawrence Ripley, one of the town's best known citizens, died Oct. 13 at his home, 48 Central st. He was chairman of the Board and a former president of the Merchants National bank of Boston, and had served the town as a moderator for about a decade.

C. Carleton Kimball was re-elected chairman of the local Red Cross chapter with the following officers: Thaxter Eaton, vice chairman; Philip F. Ripley, treasurer; Francis P. Markey, corresponding secretary; Mrs. Roscoe E. Dake, recording secretary.

The local state guard unit encamped over the weekend at Pump's pond and early Sunday morning repelled an attack made by volunteers from the Swampscot unit.

60 Women Enroll In Clothing Classes

Enrollment in the clothing classes of the Practical Arts courses held weekly at the high school reached the high number of 60. This will necessitate more than the two classes originally scheduled. Some of the students who registered in the Monday or Wednesday night classes will be allowed to select another clothing class to be formed.

There is still room for more students in beginners' painting, wood working and furniture refinishing.

FORMER ANDOVER MAN RECEIVES PROMOTION

Alexander Stewart, formerly of Andover but now of South Dartmouth, has been appointed superintendent of the rayon and nylon division of the Hathaway Manufacturing Co.

The son of Mr. and Mrs. George A. Stewart, 134 Main st., he is a graduate of Punchard high school with the class of 1927 and has been with the Hathaway organization for the past five years as assistant plant manager.

He attended the Lowell Textile Institute where he received a degree in textile engineering, and is a veteran of World War II.

60 Women Enroll In Clothing Classes

Enrollment in the clothing classes of the Practical Arts courses held weekly at the high school reached the high number of 60. This will necessitate more than the two classes originally scheduled. Some of the students who registered in the Monday or Wednesday night classes will be allowed to select another clothing class to be formed.

There is still room for more students in beginners' painting, wood working and furniture refinishing.

Leo F. Daley Heads Red Cross Chapter

At the annual meeting of the Red Cross on Tuesday evening, Leo F. Daley was elected chapter chairman to succeed Ernest S. Young. Mr. Daley has been a director for several years.

Other officers chosen are G. Grenville Benedict and Mrs. David M. Thompson, vice presidents; Mrs. Harold A. Johnson, secretary; Winthrop Newcomb, treasurer; and directors for three years, John Gilcreast, George Sanborn, Eugene Bernardin Jr., Herbert Ortstein, Roy E. Hardy, Mrs. Frederick Butler, Dr. Charles Hollis, Mrs. C. Edward Buchan.

Copies of the annual report of the Andover chapter, illustrated by Mrs. Robert Hatton, may be obtained at the chapter house. Those who assembled the report include Mrs. Roy Bolton, Mrs. Harold Harshaw, Mrs. Royal Mailey, Mrs. William Quigley and Mrs. David Thompson.

Part of the crowd that attended the auction sale held last Saturday under the auspices of Andover Grange on the grounds

near the grance hall where a great number and variety of articles were offered for sale during the all-day sale. (Look Photo)

You're An Exception If-

If your house is insured for over half its replacement value today - you're an exception! Ever look at it this way? Suppose 6 years ago you bought a home for \$10,000 and have made improvements since. The present value of that house is somewhere in the vicinity of \$20,000 and the FIRE LOSS protection you carry is probably about \$8,000 . . . just enough to cover the mortgage! That protects the bank . . . WHAT ABOUT YOU, IF YOU SUFFER A TOTAL LOSS? Better have us check your Fire Insurance coverage THIS WEEK!

PTSA To Open Season Oct. 21

The Punchard Junior high schools PTSA will have its first meeting of the season at 8 p.m. Wednesday, Oct. 21, in the high school auditorium.

After a brief business meeting parents will have an opportunity to visit class rooms which their children attend. Each teacher will describe the course briefly and answer questions. At the close of the program refreshments will be served in the cafeteria.

All parents of high school or junior high school students are cordially invited to attend whether they have joined the association or not.

Announce Judges Of Essay Contest

The UN essay contest being conducted in the high school will be judged by the Rev. Fr. St. Germaine, O.S.A., of Merrimack college, Leonard F. James of Phillips academy and Miss Emily Hale of Abbot academy. Mrs. Roland Sherman is overseeing the contest for the committee for UN week.

The winner will be announced the night of Oct. 23 at the Central elementary school when a program will be presented including a parade of UN flags carried by boy and girl scouts.

During UN week exhibits arranged by Edward A. Romeo will be displayed and a tent will be raised in front of the town house to display and sell UN material and gifts.

At 10:35 a.m., Saturday, Oct. 17, the facts and fallacies of UN will be discussed over radio station WCCM by the Rev. Ernest A. Brown Jr., Mrs. Simeon Hyde Jr., William V. N. Washburn and John Carey.

Roy E. Hardy, chairman of the board of selectmen, has issued a proclamation calling upon the citizens of Andover to observe Saturday, Oct. 24 as United Nations day and to learn something about the organization, its efforts and its goals.

One advantage of living a righteous life is that the prospect of having it investigated doesn't cause a nervous breakdown.

MARRIAGE RETURNS

The following marriage returns have been filed at the office of Town Clerk George H. Winslow:

Coin Telephone Calls

First Increase in 70 Years

Effective on Wednesday, October 14th, the minimum rate for calls from New England Telephone Company coin telephones in Massachusetts became 10¢, in accordance with authorization by the Department of Public Utilities. This is the first increase in the minimum rate in *Massachusetts' coin telephone history*. Only calls within the present 5¢ calling area will be affected by the change. Calls that are a dime today will continue to be a *dime*. Thus, the new 10¢ calling area will include both the present 5¢ and 10¢ areas.

Costs of Providing Service Up Sharply

The costs of providing telephone service have increased sharply during the past few years. Since higher schedules of telephone rates have been found necessary to meet these higher costs, it seems only fair that users of coin telephone service should bear their share of the increase.

Most Coin Telephones Have 10¢ Rate

A 10¢ initial rate is already effec-

tive or authorized for 83% of Bell System coin telephones. Applications have been filed for an additional 6%.

Please Read The Instruction Cards

At each dial coin telephone, you will find instruction cards showing exactly how to call from that telephone, and a list of the outside localities that may be reached by dialing.

If the receiver is replaced after a single nickel has been inserted, the coin will be returned.

Strange Jewelry

She was charming, chic, artistic, literary, athletic — and delightful company, and Hugo felt humble and grateful that at last she had promised to join her life with his.

"Hugo," she said, when next he called, "what a charming little ornament you have sent me. But what is it? It's made of gold, but it's not a brooch, nor a ring, nor a bracelet. I have never seen anything like it."

Punchard Sailors Top School Rivals

Although Punchard only managed to finish third in the second day's interscholastic racing when Polly Hogan brought in a first in the Wee Nip division for Andover Junior high school at Wakefield last Friday, Punchard still holds the lead in point scores.

The standing is as follows: Punchard, 77½; Andover Junior high, 73; Watertown Junior high, 75½; Huntington school, 58; Dana Hall, 58½; Walnut Hill, 51½; House in Pines, 42; Phillips academy, 39; New Preparatory, 16½.

The top five schools in the Wee Nip division and the top five from the 15-school Turnabout division are invited to compete in a final series Wednesday, Nov. 4 at MIT in Tech dinghies.

On Nov. 6 at the Schools Sailing club dance final awards will be made in all divisions.

MANY PRIZES FOR HALLOWE'EN COSTUMES

(Continued from Page One)

Then there will be the fish bowl with \$50 in pennies for the exciting penny grab which will be held for the very younger group.

In addition there will be entertainment at the four places where the parties are held: the Ballardvale community center; the old North District school; the West Center school, and the main attraction at the Memorial auditorium.

The whole affair will start off with a big parade which will form in Elm square at 6 p.m., and which will start promptly at 6:15 p.m. The Punchard Girls' band will lead the procession of merry-makers up Main street to the auditorium.

Here the first part of the evening will be devoted to a program for the younger crowd, after which the boys and girls of high and junior high school age will dance.

Aiding the recreation committee in this annual affair are the following: St. Augustine's School Guild, the Youth Center, Boosters club, the Police Relief Assn., the V.F.W. post 2128 and auxiliary, the Teachers' Assn., the Andover PTSA, American Legion post 8, and auxiliary; the Elementary PTA., Shawshen PTA., All Women's post of the Legion; Fireman's Relief Assn., Ballardvale PTA., North District; DVA chapter; West Parish PTA., and the Junior-Senior PTA.

Members of the recreation committee are: Stafford A. Lindsay, chairman; George A. Stanley Jr., Alan F. Dunlop, Francis P. Markay and Alco E. Taylor.

Do You Know Massachusetts?

A total of 502 certificates of necessity, amounting to \$181,533,505 have been issued to Massachusetts firms since the program started in January 1951, most of them for new factory construction or equipment. More than 70% of the projects were in established industrial centers, as shown by a tabulation of these certificates by municipality just completed by the Massachusetts Dept. of Commerce.

Since the Boston Lyceum was founded in 1830, classes for adult education have increased until this fall there are more than 4,600 courses in some 200 schools listed in the new edition of "Educational Opportunities of Greater Boston". This booklet, said to be the only one of its kind in the United States, is published by the Prospect Union Educational Exchange.

Reichhold, the world's largest producer of synthetic resins, has acquired and is enlarging the plant of Watson-Park Co. in Ballardvale.

There are 3000 more persons employed today in Danvers than there were in the war years. Largely responsible for the increase are the modern electronics plant of CBS-Hytron and the Sylvania Electric Products plant, the latter of which is the world's largest producer of electric sign tubing and one of the largest builders of fluorescent lighting tubes.

Consumption of electric current in Massachusetts during August totaled 10% more than a year ago and is running more than three times as large as it did 25 years ago. The August total included 734,639,000 kilowatt hours of current produced in the Commonwealth and approximately 40,234,000 net of current imported from other states.

GREAT BOOKS GROUP

At the second meeting of the Great Books discussion group, to be held at the Memorial Hall library, at 7:30 p.m., Tuesday, Oct. 20, St. Thomas Aquinas' "Of The Teacher" will be the subject. Living in the period of the middle twelve hundreds, St. Thomas sought to effect a harmony of reason and revelation in his writings by means of an orderly, consistent system of theology. He made careful use of Aristotle's logic and presented

his facts in such fine style his readings are intelligible interesting to the modern re St. Thomas' "Summa Theologiae" is his greatest work.
